

Winchelsea Movie Club is part of Growing Winchelsea Inc. and is back for our ninth year in 2026 at The Globe Theatre.

What is a Movie Club?

The Winchelsea Movie Club screens 10 carefully selected movies throughout 2026 in The Globe Theatre for its members. Movies are screened with the pre-agreement of royalty prices with the Federation of Victorian Film Societies which allows members to enjoy these movies at a low price.

How much will it cost to join?

Membership is open to any person aged 15 or more. Annual membership fee is \$70 (\$65 for Health Care Card holders). A seasonal membership, either autumn or spring season (five movies) of \$40 (\$35 for HCC holders) is also available.

What movies will be screened in 2026?

The committee have selected a mix of comedy, drama, romance, adventure, documentary, and western movies to appeal to a broad range of members. All movies will start at 7:30pm sharp.

Can I buy a ticket at the door?

No. If Winchelsea Movie Club screened movies to the public without membership, royalties of up to \$300 for each movie would be charged and so ticket prices would be much higher and could differ each month.

As a member, can I bring a guest to a movie?

All members may bring up to two guests a year for one visit each. The suggested donation for guests is \$10.

Is membership transferable?

Yes. Any member can transfer their membership to a guest. To facilitate this, members will need to give their membership card to their guest and who will show at the door.

What does my membership include?

Members can relax and enjoy each movie in an air-conditioned environment. After each movie, members can also stay for a chat over a light supper of fresh sandwiches, wine and tea/coffee. Also, from time to time, special events will be held.
